

PhD Studentship: Past and Present Musical Encounters across the Strait of Gibraltar (Fixed Term)

Faculty of Music

University of Cambridge

<https://www.jobs.ac.uk/job/BNF190/>

Early Stage Researcher (Marie Curie) - 2 Posts

Department of Physics

Durham University

<https://www.jobs.ac.uk/job/BNF759/>

Fully-funded PhD Studentships in Health and Social Care

Faculty of Business and Management

University of Wales, Trinity Saint David

<https://www.jobs.ac.uk/job/BNF906/>

£11m postgraduate scholarship fund at the University of Kent

University of Kent

<https://www.jobs.ac.uk/job/BNG310/>

PhD Studentships: Arts and Humanities Research Council

CHASE

<https://www.jobs.ac.uk/job/BNG404/>

PhD Studentship - Characterising the Biology of High-risk Group 4 Medulloblastoma to Develop Novel and Risk-adapted Therapies

Faculty of Medical Sciences: Cancer Research

Newcastle University

<https://www.jobs.ac.uk/job/BNH284/>

PhD Studentship - A New Technological Platform for Personalised Cell Therapy

University of Bath

<https://www.jobs.ac.uk/job/BNH301/>

PhD Studentship: Design and Fabrication of Nanomaterials for Next-Generation Battery and Supercapacitor Applications

Science & Engineering

Manchester Metropolitan University

<https://www.jobs.ac.uk/job/BNH318/>

PhD Studentship - Molecular Handshakes: Effector Action in Rice Blast Disease

(BANFIELD_J19DTP)

School of Biological Sciences

University of East Anglia

<https://www.jobs.ac.uk/job/BNH334/>

PhD Studentship: Advanced Composite Materials for Acoustic Systems and Speaker Manufacture

Science and Engineering

Manchester Metropolitan University

<https://www.jobs.ac.uk/job/BNH336/>

PhD STudentships: Sweet transfer in cholesterol homeostasis: molecular details of glycosylation of Low-Density-Lipoprotein-Receptors (ANGULO_U19DTP)

School of Pharmacy

University of East Anglia

<https://www.jobs.ac.uk/job/BNH343/>

PhD Studentship - Molecular Regulation of Branching in Wheat (BODEN_J19DTP2)

School of Biological Sciences

University of East Anglia

<https://www.jobs.ac.uk/job/BNH346/>

PhD Studentship: Predicting and understanding crop yield with machine learning (BAGNALL_U19DTP)

School of Computing Sciences

University of East Anglia

<https://www.jobs.ac.uk/job/BNH353/>

PhD Studentship - Natural Selection in Action: Molecular Evolution of Fungicide Resistance (BROWN_J19DTP)

School of Biological Sciences

University of East Anglia

<https://www.jobs.ac.uk/job/BNH358/>

PhD Studentship: Ancient metal cofactors in health and disease (BALK_J19DTP1)

School of Biological Sciences

University of East Anglia

<https://www.jobs.ac.uk/job/BNH366/>

PhD Studentship - Developing Photocatalysts through Novel Biochemistry (BUTT_U19DTP1)

School of Chemistry

University of East Anglia

<https://www.jobs.ac.uk/job/BNH372/>

PhD Studentship: Iron in plant foods (BALK_J19DTP2)

School of Biological Sciences

University of East Anglia

<https://www.jobs.ac.uk/job/BNH381/>

Blackstone Research Scholarship in Real Estate Finance and Investment

The University of Sydney

<https://www.jobs.ac.uk/job/BNH390/>

PhD Studentship -Mechanisms of treatment seeking and recovery in cannabis use disorder

Department of Psychology

University of Bath

<https://www.jobs.ac.uk/job/BNH456/>

PhD Studentship: The Role of MicroRNAs in the Peripheral Circadian Rhythm in Cartilage (CLARK_U19DTP)

School of Biological Sciences

University of East Anglia

<https://www.jobs.ac.uk/job/BNH502/>

PhD Studentship: Mechanisms Controlling Plant Cell Polarity and Growth (COEN_J19DTP)
School of Biological Sciences
University of East Anglia
<https://www.jobs.ac.uk/job/BNH503/>

PhD Studentship: Characterising Genes involved in MicroRNA Degradation in Arabidopsis (DALMAY_U19DTP)
School of Biological Sciences
University of East Anglia
<https://www.jobs.ac.uk/job/BNH509/>

PhD Studentship: Open Science Needs Open Data: Automated Semantic Description of Biological Data through Machine Learning (DAVEY_E19DTP)
School of Computing Sciences
University of East Anglia
<https://www.jobs.ac.uk/job/BNH516/>

ESRC Doctoral Training Partnership Studentships
Cambridge ESRC Doctoral Training Partnership [DTP]
University of Cambridge
<https://www.jobs.ac.uk/job/BNH530/>

PhD Studentship - Causal inference methods for randomised trials
Department of Mathematical Sciences
University of Bath
<https://www.jobs.ac.uk/job/BNH547/>

Establishment of germline-specific DNA methylation (FENG_J19DTP)
Biological Sciences
University of East Anglia

PhD Studentship: Intracellular Signal Transduction in Legume Symbioses
(CHARPENTIER_J19DTP)
School of Biological Sciences
University of East Anglia
<https://www.jobs.ac.uk/job/BNH660/>

PhD Studentship: Developmental Systems Biology of the Eye - The Origins of Retinal Self-Organisation (GROCOTT_U19DTP)
School of Biological Sciences
University of East Anglia
<https://www.jobs.ac.uk/job/BNH676/>

PhD Studentship: From Predictions to Validation: Functional Characterization of Splicing in the Adamts Family During Development (HAERTY_E19DTP)
School of Biological Sciences
University of East Anglia
<https://www.jobs.ac.uk/job/BNH677/>

PhD Studentship: Using Data-Driven Biology to ask Fundamental Questions about the Evolution of Complex Polyploid Plant Genomes (HALL_E19DTP1)
School of Biological Sciences
University of East Anglia
<https://www.jobs.ac.uk/job/BNH686/>

PhD Studentship: Is Circadian Function an Important Trait for Wheat Breeders?
(HALL_E19DTP2)
School of Biological Sciences
University of East Anglia
<https://www.jobs.ac.uk/job/BNH689/>

Fully Funded PhD Scholarship: Microstructure Modification and Property Optimisation of IN713C Nickel Based Superalloy Produced via Investment Casting
Materials Engineering
Swansea University
<https://www.jobs.ac.uk/job/BNH702/>

PhD Studentship: Ligament repair strain sensors: improving monitoring after ligament reconstruction surgery

Department of Mechanical Engineering

University of Bath

<https://www.jobs.ac.uk/job/BNH710/>

PhD Studentship: Banking on cooperation: testing evolutionary theories of human cooperation via microfinance loans

College of Life and Environmental Sciences

University of Exeter

<https://www.jobs.ac.uk/job/BNH712/>

PhD Studentship: Adsorption on Surfaces

Department of Chemistry

University of Cambridge

<https://www.jobs.ac.uk/job/BNH719/>

Marie Curie, Early-Stage Researcher (ESR) Fellowship (3-year PhD position) (Fixed Term)

Cancer Research UK Cambridge Institute

University of Cambridge

<https://www.jobs.ac.uk/job/BNH736/>

Targeting a novel allosteric site on Trypanosoma cruzi trans-sialidase for future Chagas' disease therapy

Department of Biology and Biochemistry

University of Bath

<https://www.jobs.ac.uk/job/BNH759/>

PhD Studentship: Integrated Pest Management in Fruit Farms of Semi-Arid Brazil: The Role of Semi-Natural Habitat (DICKS_U19DTP)

School of Biological Sciences

University of East Anglia

<https://www.jobs.ac.uk/job/BNH802/>

PhD Studentship: The Journey of Plant Cells through the Human Gut (EDWARDS_Q19DTP1)

School of Biological Sciences

University of East Anglia

<https://www.jobs.ac.uk/job/BNH803/>

PhD Studentship: Sharing Via Secretion: Exploring the Role of Secretion Systems in the Early Life Microbiota Member Bifidobacterium (HALL_Q19DTP1)

Faculty of Medicine & Health Sciences

University of East Anglia

<https://www.jobs.ac.uk/job/BNH808/>

Two Doctoral Candidates

Queen Margaret University, Edinburgh

<https://www.jobs.ac.uk/job/BNH809/>

PhD Studentship: Cannibalism in the Early Life Microbiota; Exploring the Role of Cross-Feeding for Modulation of Microbial Communities and Immune Cell Responses (HALL_Q19DTP2)

Faculty of Medicine & Health Sciences
University of East Anglia
<https://www.jobs.ac.uk/job/BNH817/>

PhD Studentship: Fitness in the field: Does leaf starch metabolism play a role in wheat crop performance? (HAZARD_Q19DTP)
School of Biological Sciences
University of East Anglia

150 full Ph.D. scholarships
=====

The European University Institute's call for 150 full Ph.D. scholarships is open and jobs.ac.uk brings you a unique opportunity to engage with the academic faculty to explore these opportunities and find out how to maximize your prospects in accessing them.

jobs.ac.uk live event – 13 November 10am - 11am GMT (11am-12 noon GMT+1).

The European University Institute offers fully-funded four-year Ph.D. programmes in the social sciences. There are approximately 150 scholarships available that cover tuition fees and provide a monthly grant.

To help answer any questions you may have about doing your Ph.D. at the EUI, jobs.ac.uk is holding a free 60-minute live webinar event called 'EUI Ph.D. scholarships'.

By attending this webinar, you will learn:

Why you should choose the EUI for your Ph.D.
What an EUI Ph.D. programme involves

How to apply for your EUI Ph.D.

How to check your eligibility for an EUI scholarship

What life is really like for Ph.D. researchers at the EUI

This event is open to anyone with an interest in Ph.D. opportunities in the social sciences and is completely free of charge. We want to hear from you - our webinars are a two-way conversation between our panel of dedicated experts and you. You can submit questions when you register for the event, during the webinar or via Twitter using #JobsQ.
