GRADUATE STUDENTS' SUPERVISION

I have supervised more than 30 master students while preparing their **master thesis**. Most of them focused on the areas of business economics, competitiveness, financial economics, and environmental and resource economics. Some of the students succeeded in making use of advanced econometric models in their theses.

CONFERENCES AND WORKSHOPS

- December 2021, Microeconomics of Competitiveness, Faculty Workshop, Harvard Business School, USA. Paper: “CSV strategy and clustering for improvement of the stone and marble sector’s competitiveness: Empirical evidence from Hebron.”
- April 2019, Keynote Speaker at the 8th International Conference on E-Business and Competitiveness, University of Jordan. Paper: Economics of Competitiveness and E-Business Competitiveness.
- March 2019, Free Trade Agreements and Intra Regional Trade Flows. Paper: The Jordanian Economy and the External Sector: Economic Analysis and Prospects of Economic Cooperation with Palestine, Jordan.
- December 2018, Microeconomics of Competitiveness, Faculty Workshop, Harvard Business School, USA.
- May 2018, the International Alumni Seminar in Siegen in the framework of the World’s Leading Trade Fair for Water, Sewage, Waste, and Raw Materials Management – IFAT, Munich. Paper: Water-Energy-Food Nexus promoting growth in the Mediterranean.
- November 2017, Shaping and Reshaping Global Governance; WHY, WHAT and WHY NOW?, 28th and 29th of November 2017, Imperial Springs, near Guangzhou, China.
- April 2017, The framework of the Erasmus+ Programme, Key Action, Masaryk University, Czech Republic.
- March 2017, Corporate Governance, Administrative and Economic development in the Institutions: Reality and Aspiration. Paper (in Arabic), The Role of Civil Organization in Developing the Social Capital in Palestine, University of Jordan, Amman, Jordan.
- February 2017, The first Zamala Conference, Ramallah, Palestine. Paper: Applying Okun’s Law to the macroeconomic analysis of the mutual economic relationship between the Palestinian and Israeli economies using econometrics.
- January 2017, The Economics of Palestine. Paper: The Palestinian and Israeli Economy: Challenges and Prospects, Ramallah, Palestine.
- February 2015, Can implementation of the Water-Food-Energy-Ecosystem Nexus support economic growth in the Mediterranean region? By the Joint Research Centre, European Commission, 12-13 February 2015, Ankara, Turkey.
- July 2013, World Finance Conference, Limassol, Cyprus, from 1-3 July 2013. Paper:

Econometric Techniques to Examine Volatility in PEX Bulls and Bears.

- October 2012, Toward Competitive Palestinian Products, Economic Conference, Ramallah, Palestine, from 15-16 October 2012. I was on the Scientific Committee of this conference, and Moderator of a Principal Session.
- May 2011, “Reviewer and Discussant,” Palestinian Diaspora: Building Transnational Capital, Workshop, Palestine Economic Policy Research Institute (MAS), Palestine.
- March 2011, “Reviewer and Discussant,” Heritage Industries in Palestine (in Arabic), Workshop, Palestine Economic Policy Research Institute (MAS), Palestine.
- February 2011, “Reviewer and Discussant,” Social Capital and Public Health in Palestinian Territories (in Arabic), Workshop, Palestine Economic Policy Research Institute (MAS), Palestine.
- November 2010, Integrated Water Resources Management (IWRM), International Conference Karlsruhe, Germany.
- December 2009, Economic Incentives and Environmental Regulation in Selected Countries in the MENA Region, Economic Research Forum, Cairo, Egypt. Paper: Willingness to pay for improved municipal water supply services in the Gaza Strip.
- June 2009, The European Water Resources Association 7th International Conference, Water Resources Conservation and Risk Reduction Under Climatic Instability, Ref. ID. EWRA/2009/110, Limassol, Cyprus, from 25-27 June 2009. Paper: Toward Efficient, Equitable, and Sustainable Municipal Water Supplies for Domestic Purposes in the West Bank: A Contingent Valuation Analysis.
- March 2009, Prospects of Water Uses in Domestic, Agricultural, and Industrial Sectors in the Jordan River Catchment Area – Socioeconomic Determinants Versus Natural Potentials, Karlsruhe, Germany.
- June 2008, Water Management and Socioeconomic Aspects, Aqaba, Jordan.

ACTIVITIES AND PUBLIC LECTURES

- February 2020: As a Director of the Institute of Competitiveness and Strategy, and based on the partnership of Al-Quds University with Harvard Business University in the USA, I have made a significant contribution to developing a new Master’s program of Competitiveness and Development Economics. The program has recently been accredited by the Palestinian Ministry of Higher Education and Research.
- October 2017: Writing Publishable Economics, Business, and Social Research Papers and Getting Them Published in International Refereed Journals, Public Lecture was organized by the Deanship of Scientific Research at Al-Quds University.
- March 2016, *What Role Scientific Research Plays in Economic Growth: Secrets and Facts*, Public Lecture was organized by the Deanship of Scientific Research at Al-Quds

University.

Video:

http://www.alquds.edu/ar/?option=com_hdwpayer&view=video&wid=84

- April 2015, Secrets of Economic Development, Public Lecture was organized by the Chamber of Commerce in Hebron.
- November 2014, Scientific Visit on Dual Study, Technical University of Mannheim and Technical University of Aachen, Germany.
- December 2014, Testing the validity of Okun's rule of thumb across Palestine and Israel, Public Lecture was organized by the Academic International Relations at Al-Quds University.
- March 2012, Scientific Visit on Public Administration and Economics, King's College London, UK
- April 2012, Public Lecture at Al-Quds University Entitled: "What Role Econometric Techniques Play in Investigating Economic Theory and Business Research."
- December 2011, Coordinator – Scientific Day on Economic and Business Research Methods, Al-Quds University.
-
- December 2011, Public Lecture at Al-Quds University Entitled: "Selecting Samples in Business and Economic Research."
- March 2011, Public Lecture at Al-Quds University Entitled: Applying the Contingent Valuation Method to Measure the Total Economic Value of Domestic Water Services.
- July 2011, Coordinator - Public Lecture was delivered by Prof. Arne Hallam from Iowa State University Entitled: "Research and Education for the Sustainable Middle East", MAS institute.

FORTHCOMING RESEARCH

- ✚ What Role lending factors play in Small and Medium Enterprises (SMEs): Evidence from Palestine
- ✚ Household Demand for Improved Water Sanitation in the West Bank: Experimental Choice Method.
- ✚ An econometric analysis of willingness to pay for improvement in the domestic water supply services: The case of Hebron and Bethlehem governorate: contingent valuation method.
- ✚ Using Analysis of willingness to pay toward efficient use of pesticides in agronomic products: A case study from Jericho, Palestine.
- ✚ A Framework for Developing A New Tariffs in Water Provision to Households in Palestine (in Arabic).
- ✚ Price Transmission: The interaction between international and local prices of selected soft commodities.

ONGOING RESEARCH PROJECTS

- ✚ Willingness to Pay and the Design of Water Tariff Systems.
- ✚ An Econometric Analysis of Willingness to Pay for Improved the Municipal Water Supply Services in the Gaza Strip: A Contingent Valuation Method.

MEMBERSHIPS

- Research Associate at Economic Research Forum (ERF).
- Editorial Team of Eastern Journals: Eastern Journal of Applied Economics. (<http://easternjournals.com/team.php>).
- European Water Resources Association (EWRA).
- The AcademicKeys **Who is Who** in Business Higher Education (WWBHE)
- Member of the Equivalence Professional Committee in Business and Law, Ministry of Education and Higher Education, Palestine.
- Reviewer for several international refereed journals in business and economics.

AWARDS AND SCHOLARSHIPS

- April 2017, Erasmus+ Programme, Key Action, Masaryk University, Czech Republic.
- I have obtained the Zamalah Fellowship Programme - the Second Round, for improved Higher Education and Scientific Research, jointly offered by the Bank of Palestine and the Welfare Association, 2014.
- My Ph.D. program was funded by a scholarship from the German Federal Ministry of Education and Science.
- The Al-Quds University of Jerusalem financed my family throughout my PhD-study in Germany.
- I had obtained several small and short scholarships throughout my bachelor's and master's studies.

COMPUTER SKILLS AND COMPETENCIES

Working as a professional in these programs: SPSS, Stata, E-views, Lim-Dip Program, QSB Program, Microsoft Word, and Excel.

LANGUAGE PROFICIENCY

English: Fluent “near-native”
Arabic: Fluent “mother tongue.”
German: Basics “written and spoken.”
