

| Institution - Acronym | Modality | Program | Observations |
|--|-----------|---|--------------|
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Administration and Health Services | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Government Audit, Surrender of Accounts and Strategic Management | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Sciences (Applied Physics) | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Science (Physics) | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Government Science and Politics | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Chemical engineering | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Research Applied to Industry | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Social anthropology | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Sciences (in the specialty of Science of Materials) | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Science (Math) | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Sciences (Microbiology) | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Environmental Sciences | |

| | | | |
|--|-----------|--|--|
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Language Sciences | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Physiological Sciences | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | chemical sciences | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Right | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Semiconductor Devices | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Interinstitutional PhD in Economics Social Solidarity | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Political Economy of Development | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Mathematics education | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Historical Studies | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Socio-territorial studies | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Contemporary Philosophy | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Language Engineering and Knowledge | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Research and Educational Innovation | |

| | | | |
|--|-----------------|---|---|
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Hispanic American Literature | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Territorial processes | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Educational Systems and Environments | |
| Meritorious Autonomous University of Puebla - BUAP | Doctorate | Sociology | |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Physical Activity and Sport for Human well-being | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Global Business Administration | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Architecture specializing in Heritage Conservation | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Arts: Inter and Transdisciplinarity | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Food Science and Technology | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Plant Genetic Resources Sciences Potentials for Agriculture | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | English teaching | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Stomatology | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Social Studies: Labor, Regulation Labor and Organization | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |

| | | | |
|--|-----------------|--|---|
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Image Studies and Production | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Management of Small and Medium Companies | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Planning of the Territory | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Social anthropology | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Sociocultural Anthropology | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Materials Science | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Sciences (Applied Physics) | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Science (Physics) | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Science (Math) | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Sciences (Microbiology) | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Environmental Sciences | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | computer's science | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Electronic Sciences | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |

| | | | |
|--|-----------------|--|---|
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Language Sciences | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Physiological Sciences | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Medical Sciences and Research | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Political Sciences | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | chemical sciences | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Strategic communication | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Right | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Economic Development and Cooperation International | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Diagnosis and Rehabilitation neuropsychological | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Semiconductor Devices | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Economy | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Mathematics education | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Higher education | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |

| | | | |
|--|-----------------|--|---|
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Nursing | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Aesthetics and Art | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Philosophy | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Tourism Management | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Organizational Management | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | History | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Engineering | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Embedded Systems Engineering | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Electronic Engineering | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Chemical engineering | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Hispanic American Literature | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Sustainable Management of Agroecosystems | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Public Opinion and Political Marketing | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |

| | | | |
|--|-----------------|---|---|
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Sustainable Animal Production | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | International Relations and Rights Humans | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Sociology | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Technologies in Advanced Materials | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Theory and Practice of Performing Arts: Dramatic Art, Dance and Music | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Territory, Tourism and Heritage | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Meritorious Autonomous University of Puebla - BUAP | master's degree | Taxation | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | Doctorate | Aquaculture | |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | Doctorate | computer's science | |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | Doctorate | Earth sciences | |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | Doctorate | Life sciences | |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | Doctorate | Marine ecology | |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | Doctorate | Electronics and Telecommunications | |

| | | | |
|---|-----------------|--|---|
| Center for Scientific Research and Education Superior of Ensenada - CICESE | Doctorate | nanosciences | |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | Doctorate | Physical Oceanography | |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | Doctorate | Optics | |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | master's degree | Aquaculture | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | master's degree | Comprehensive Environmental Administration | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | master's degree | computer's science | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | master's degree | Earth sciences | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | master's degree | Life sciences | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | master's degree | Marine ecology | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | master's degree | Electronics and Telecommunications | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | master's degree | nanosciences | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | master's degree | Physical Oceanography | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Center for Scientific Research and Education Superior of Ensenada - CICESE | master's degree | Optics | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |

| | | | |
|---|-----------------|---|---|
| Center for Scientific Research and Education Superior of Ensenada - CICESE | master's degree | Advanced and Integrated Technologies | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Food and Development Research Center, AC - CIAD, AC | Doctorate | Regional Development with Lines of Generation and Application of Knowledge (LGAC) in: Economy and regional development, Studies of human development and social vulnerability, Environmental and sociocultural studies of development, Studies on food and development. | |
| Food and Development Research Center, AC - CIAD, AC | Doctorate | Doctor of Science with terminal option in: Aquaculture, Biochemistry, Biopolymers, Biotechnology, Food Science and Technology, Ecology and Environment, Horticulture, Microbiology, Nutrition and Toxicology Master of | |
| Food and Development Research Center, AC - CIAD, AC | master's degree | Science with terminal option in: Aquaculture, Biochemistry, Biopolymers, Biotechnology , Food Science and Technology, Ecology and Environment, Horticulture, Microbiology, Nutrition and Toxicology Master's Degree in Regional | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Food and Development Research Center, AC - CIAD, AC | master's degree | Development with Lines of Generation and Application of Knowledge (LGAC) in: Economy and regional development, Studies of human development and social vulnerability, Studies environmental and sociocultural development, Social studies on food and development. | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Center for Research in Geospatial Information Sciences, AC - CENTROGEO | Doctorate | Geospatial Information Sciences | |
| Center for Research in Geospatial Information Sciences, AC - CENTROGEO | master's degree | Geospatial Information Sciences | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Center for Research in Geospatial Information Sciences, AC - CENTROGEO | master's degree | Spatial Planning | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Mathematics Research Center, AC - CIMAT | Doctorate | Sciences with Orientation in Sciences of the computing | |

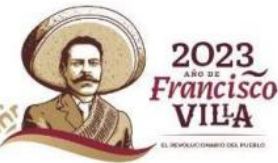

| | | | |
|---|-----------------|---|---|
| Mathematics Research Center, AC - CIMAT | Doctorate | Science with a Mathematics Orientation applied | |
| Mathematics Research Center, AC - CIMAT | Doctorate | Science with a Mathematics Orientation basic | |
| Mathematics Research Center, AC - CIMAT | Doctorate | Probability Oriented Sciences and Statistics | |
| Mathematics Research Center, AC - CIMAT | master's degree | Sciences with a Specialty in Computing and Industrial Mathematics | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Mathematics Research Center, AC - CIMAT | master's degree | Sciences with a Specialty in Mathematics applied | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Mathematics Research Center, AC - CIMAT | master's degree | Sciences with a Specialty in Mathematics basic | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Mathematics Research Center, AC - CIMAT | master's degree | Sciences with a Specialty in Probability and Statistics | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Mathematics Research Center, AC - CIMAT | master's degree | Science with Orientation in Robotics | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Mathematics Research Center, AC - CIMAT | master's degree | Statistical Computation | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Mathematics Research Center, AC - CIMAT | master's degree | Software Engineering | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Mathematics Research Center, AC - CIMAT | master's degree | Process Modeling and Optimization | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Center for Research in Advanced Materials, SC - CIMAV | Doctorate | Materials Science | |
| Center for Research in Advanced Materials, SC - CIMAV | Doctorate | Environmental Science and Technology | |

| | | | |
|--|-----------------|--|---|
| Center for Research in Advanced Materials, SC - CIMAV | Doctorate | nanotechnology | |
| Center for Research in Advanced Materials, SC - CIMAV | master's degree | Materials Science | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Center for Research in Advanced Materials, SC - CIMAV | master's degree | Environmental Science and Technology | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Applied Chemistry Research Center - CIQA | Doctorate | Polymer Technology | |
| Applied Chemistry Research Center - CIQA | master's degree | Sciences in Agroplasticulture | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Applied Chemistry Research Center - CIQA | master's degree | Polymer Technology | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in Integrative Biology | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Computer Science | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in Infectomics and Pathogenesis Molecular | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in Electrical Engineering (Unit Guadalajara) | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Engineering Sciences and Biomedical Physics | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in Engineering and Technologies computational | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Biology Specialty Cell phone | |

| | | | |
|---|-----------|--|--|
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Biomedicine Specialty Molecular | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Biochemistry Specialty | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Specialty of Plant Biotechnology | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Science Specialty marine | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Science Specialty chemical | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Control Specialty Automatic | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Ecology Specialty human | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Specialty of Pharmacology | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in Physics Specialty | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in Physics Specialty | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in Physics Specialty Applied and Theoretical Physics | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Physiology Specialty Cellular and Molecular, and Cellular and Molecular Neurobiology | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Specialty of Genetics and Molecular biology | |

| | | | |
|---|-----------|---|--|
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Engineering Specialty electrical | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Engineering Specialty Metallurgical and Ceramic | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Specialty of educational research | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Mathematics Specialty | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Materials Specialty | |
| Center for Research and Advanced Studies of the National Polytechnic Institute - CINVESTAV | Doctorate | Sciences in the Specialty of Robotics and Advanced Manufacturing | |

| National Institute of Public Health - INSP | master's degree | Public Health with an area of concentration in Social and Behavioral Sciences | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| National Institute of Public Health - INSP | master's degree | Public Health with concentration area in Infectious Diseases | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| National Institute of Public Health - INSP | master's degree | Public Health with area of concentration in Vector Transmitted Diseases | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| National Institute of Public Health - INSP | master's degree | Public Health with area of concentration in Aging | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |

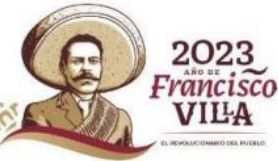

| | | | |
|--|-----------------|---|---|
| National Institute of Public Health - INSP | master's degree | Public Health with concentration area in Epidemiology | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| National Institute of Public Health - INSP | master's degree | Public Health with concentration area in Nutrition | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| National Institute of Public Health - INSP | master's degree | Public Health with concentration area in Environmental Health | In the event that the Institution indicates so in the acceptance or presentation letter, this program may also be considered in the Mobility modality at the Master's level. |
| National Polytechnic Institute - IPN | Doctorate | Productive Biotechnology | |
| National Polytechnic Institute - IPN | Doctorate | Bioprocess Sciences | |
| National Polytechnic Institute - IPN | Doctorate | computer's science | |
| National Polytechnic Institute - IPN | Doctorate | Economic Sciences | |
| National Polytechnic Institute - IPN | Doctorate | Food Sciences | |
| National Polytechnic Institute - IPN | Doctorate | Sciences in Architecture and Urbanism | |
| National Polytechnic Institute - IPN | Doctorate | Sciences in Fisheries Bioeconomy and aquaculture | |
| National Polytechnic Institute - IPN | Doctorate | Sciences in Molecular Biomedicine | |
| National Polytechnic Institute - IPN | Doctorate | Sciences in Biomedicine and Biotechnology Molecular | |
| National Polytechnic Institute - IPN | Doctorate | Sciences in Biotechnology | |

| | | | |
|--------------------------------------|-----------|--|--|
| National Polytechnic Institute - IPN | Doctorate | Science in Conservation and Use of Natural Resources | |
| National Polytechnic Institute - IPN | Doctorate | Product Development Sciences Biotics | |
| National Polytechnic Institute - IPN | Doctorate | Sciences in Physics | |
| National Polytechnic Institute - IPN | Doctorate | Science in Electrical Engineering | |
| National Polytechnic Institute - IPN | Doctorate | Sciences in Mechanical Engineering | |
| National Polytechnic Institute - IPN | Doctorate | Chemical Engineering Sciences | |
| National Polytechnic Institute - IPN | Doctorate | Immunology Sciences | |
| National Polytechnic Institute - IPN | Doctorate | Sciences in Metallurgy and Materials | |
| National Polytechnic Institute - IPN | Doctorate | Science in Digital Systems | |
| National Polytechnic Institute - IPN | Doctorate | Physico-mathematical Sciences | |
| National Polytechnic Institute - IPN | Doctorate | marine sciences | |
| National Polytechnic Institute - IPN | Doctorate | Chemical-biological sciences | |
| National Polytechnic Institute - IPN | Doctorate | Communications and electronics | |
